General Updates

Volunteers: I believe I am at a point that I can truly use some volunteers. Tuesday – Friday are the best days to volunteer unless it is a Day 2 (Art day). Technology and Flex scheduling messes up our normal routines.

In math, we would need someone to play math subitizing games and other math practices and/or interventions. (*Morning Time 8:45 -10:45*)

In reading, we can always use people to listen and talk with the students. *Afternoon (1:30-2:30)*

Holiday Traditions Rotations: On Thursday, December 20th we will have rotations around the grade level to learn more about where our holiday traditions come from. Mrs. Fishman has sent out an e-mail to you asking for some help with a pizza lunch for the kiddos on that day.

Mrs. Smith: I'm happy to announce that Mrs. Smith has taken a job at Harris Creek Elementary teaching 2nd grade. Thank you again for all the support you have shown her throughout her time here at LES.

Digital Winter Math Challenge: If you kiddo loves technology, try to encourage at least 10 minutes a day playing some of these amazing math games.

Please feel free to donate to our Cub's Closet as your child grows out of those awesome outfits.

Academic Highlights

Reading
Readers notice keywords/lingo. They know what the words mean and USE the words to teach others. We can teach others about the main points of our books.

Writing
Writers use making sure our reader's questions are answered in our writing .

Math
We can identify ones, tens, and hundreds and write numbers in 4 different ways (standard, word, picture, and expanded form). We can skip count by 2's, 5's, and 10's starting at any number up to 1000.

Science or Social Studies
I can study maps.

I can study sound.
