General Updates

Read Across America Guest Readers: In March, we will celebrate Dr. Seuss's birthday by asking parents to come in to read their favorite book to the class. We will be flexible with the times to accommodate your busy schedules. Both parents are more than welcome to join in on our reading fun! If you want to be a guest reader, please e-mail me a day and a time that would work for you to come to read your favorite book with the class. We CANNOT have readers at 11:00-11:50, 12:25-1:10, and 3:05-3:35. The rest of our day starting around 9:15ish, we should be able to fit you in!

Picture Day is MONDAY!!!!!!

Rubber bands: We are trying out a new discipline method in the class. Each student gets 3 rubber bands to start the day. Students will lose a rubber band if PRIDE is not being shown or earn bands for doing the right thing and showing PRIDE. If a child gets 5 rubber bands, his/her name will go on the WOW Wall to earn a chance at a prize and gain PRIDE points. The two students who have the most PRIDE points represent our class at the assembly. So far the students have responded well to the method. The number of rubber bands that your child get will be reported on their calendar.

Academic Highlights

Reading

Readers understand literary (figurative) language. They pay special attention to language (stop, reread, remember, think) and we notice comparisons (what special meaning does the author want me to get?).

Writing

Writers write letters to explain their opinions.

Math

We can tell time to the 5 minutes on a digital and analog clock.

Science or Social Studies

I can study famous Americans and the impact that they made on our history.

I can study weather.
