## General Updates

**Seesaw:** If you would like to save any of your child's work on Seesaw, please complete that task before the end of the year. You need to right click the item and then click save as to keep these memories. This is the first year that I have used Seesaw. I would love any feedback as to what you liked, what you would have wanted more/less of, or any other thoughts you might have had on the experience.

**Yearbook:** Your child will be coming home with a yearbook. **Money or books are due Wednesday, June 5<sup>th</sup>.** The cost is \$17 with checks made to payable to Strawbridge. We **CANNOT** make change, so please send in EXACT money. There is an online payment option, [www.strawbridge.net](http://www.strawbridge.net) (School Code: 101399). If you order online, please let me know so that I can mark it off on my record sheet. **2<sup>nd</sup> grade has a yearbook signing party on the last day of school.**

**End of the Year (EOY) Testing has Begun!** We have started our mClass testing this week and will continue until the end of the year. See the questions below to help see what types of questions will be asked of your child. Many of your students are sitting in the 3<sup>rd</sup> grade question range. We will also take an EOY Math assessment later in the year that will be sent on to 3<sup>rd</sup> grade teachers. Please let me know if you have any questions about these assessments.
