General Updates

Volunteers: I believe I am at a point that I can truly use some volunteers. Tuesday - Friday are the best days to volunteer unless it is a Day 2 (Art day). Technology and Flex scheduling messes up our normal routines.

In math, we would need someone to play math subitizing games and other math practices and/or interventions.
(Morning Time 8:45 - 10:45)

In reading, we can always use people to listen and talk with the students about what they are reading. *Afternoon* (1:30-2:30)

Book Fair: Monday, December 3rd is our book previewing day. You can send your child with money throughout the week, but on Monday his/her wish list will come home. Remember you can order online, too!

Seesaw: Don't miss out on the bird's eye view of what's going in our room. Sign up for Seesaw if you haven't already.

Spelling Bee: Spelling Bee words were put into your child's folder. We will do a class spelling bee to decide who represents our class in the school bee between December 3rd - 7th.

Upcoming Events

LES Book Fair

December 3-10

101 Dalmatians School Musical

December 18th and 19th

- Monday, Dec. 10 from 4-7pm- Family Night at the Book Fair!

Academic Highlights

Reading

Readers notice keywords/lingo. They know what the words mean and USE the words to teach others.

Writing

Writers use descriptions to explain their topics.

Math

We can identify ones, tens, and hundreds and write numbers in 4 different ways (standard, word, picture, and expanded form). We can skip count by 2's, 5's, and 10's starting at any number up to 1000.

Science or Social Studies

I can study maps.

I can study sound.
