General Updates

Greensboro Science Trip: Thank you for helping us make our first adventure a success! Check out SEESAW to see more photos. Here's the link to the photos I took: goo.gl/GXX3Sf

Report Cards: All 2nd grade report cards will go home on Tuesday in your child's homework folder. Please check the box if you would like a conference so I can plan accordingly. We do have a new system again and it's been a "joy" to learn how to navigate it. If there are any errors or questions, please let me know. I fought many battles to get the report cards printed and such, but that doesn't mean I won the war!!!

NC Art Field trip: If you would like to join us for our Art Field trip, please let me know. It takes about an hour of your time and you follow half of our class to ensure nobody touches the art.

Seesaw: Don't miss out on the bird's eye view of what's going in our room. Sign up for Seesaw if you haven't already.

Spelling Bee: Spelling Bee words were put into your child's folder. We will do a class spelling bee to decide who represents our class in the school bee between December 3rd - 7th.

ROAR and Run: Thank you for your support for our ROAR and Run Giving Campaign

PTA

Be Informed | Be Involved | Be Supportive

Cubs Closet is in need of clothes. The PTA needs help getting the word out to K and 1st grade families. Please include the message below in your correspondence with families. The Cubs' Closet is a PTA program that provides students with clothing, shoes, and undergarments when needed. This way, our children have the clothes they need to focus on learning and play. We are looking for donations of girls and boys shirts, shorts, and pants (sizes 4 - 6) Please donate ONLY clothing that is school appropriate and is in good condition (clean with no holes or stains). Please contact melissa.yanek@gmail.com with questions.

Academic Highlights

Reading

Readers can dig deep into text features and use the words, "I noticed, I'm learning, I'm wondering..."

Writing

Writers write all about books.

Math

We can identify ones, tens, and hundreds and write numbers in 4 different ways (standard, word, picture, and expanded form). We can skip count by 2's, 5's, and 10's starting at any number up to 1000.

Science or Social Studies

I can study maps.

I can study matter.
